Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner held that newly amended claim 8 contained new matter not originally disclosed in the specification (fig. 3, step 315 being the predetermined period of time of the method of claim 8 [specification, page 11, lines 16-19], whereas only a different method of fig. 2 having a different predetermined period of time in step 215 has support for a maximum round trip delay [specification, page 7, line 30 to page 8, line 4]). In order to advance prosecution, Applicant's representative agreed to cancel claim 8 so that the application may be allowed.
